ILLINOIS COMMERCE COMMISSION

Perry County Emergency Telephone System Board

Petition for Approval to continue basic 9-1-1 service to persons in  
the Tamaroa (496) exchange who reside in Jefferson County. CHIEF CLERK'S OFFICE

PETITION

60-0026

Whereas, customers within the Tamaroa (496) exchange who reside in Jefferson County have been provided basic 9-1-1 service through the Perry County basic 9-1-1 system for approximately the last 25 years; and

Whereas, these customers would lose all 9-1-1 services due to the fact that Jefferson County does not presently provide 9-1-1 services to this area of Jefferson County; and

Whereas, these customer would be routed to the Perry County Sheriffs Office PSAP, and provided basic 9-1-1 service, only until such time that Jefferson County comes on line and provides enhanced 9-1-1 service to this particular group of customers;

Now, Therefore, comes the Perry County Emergency Telephone System Board, and requests Illinois Commerce Commission's approval of this petition to continue basic 9-1-1 service to persons in the Tamaroa (496) exchange and in support thereof states as follows:

1. Attached hereto and incorporated herein as though fully set forth is a copy of the interagency call handling agreement between Jefferson County ETSB and Perry County ETSB which provides for transfer of these calls to the Jefferson County Sheriff's Office for dispatch.
2. A duplicate original of this petition and said call handling agreement has been filed by mail with the following Telephone Company:  
GTE North, Inc.

Wherefore, your Petitioner, the Perry County Emergency Telephone System Board, prays that the Illinois Commerce Commission:

1. Grant a hearing waiver for this petition, in that a hearing would delay the Perry County enhanced 9-1-1 system from its' scheduled soft cut date of January 11, 2000.
2. Enter an Order approving this petition and authorizing the continued

basic 9-1-1 service described herein.

**PERRY COUNTY EMERGENCY TELEPHONE SYSTEM BOARD**  
**E9-1-1 CALL HANDLING**  
**INTERGOVERNMENTAL AGREEMENT**

**FOR 9-1-1 EMERGENCY COMMUNICATIONS**

This agreement is made between the Perry County Emergency Telephone System Board (PCETSB) and the Jefferson County Emergency Telephone System Board (JCETSB), for the purpose of effective handling and routing of 9-1-1 Emergency calls.

**CALL HANDLING**

Should a PCETSB Public Service Answering Point (PSAP) receive a call for emergency services in the area served by the JCETSB, the call shall be transferred to the JCETSB PSAP located at the Jefferson County Sheriffs Department (JCSD) by the following methods:

Primary: Transferred by telephone (618) 242-2141  
Secondary: via teletype - LEADS

**AID OUTSIDE JURISDICTION BOUNDARY**

Once an emergency unit is dispatched in response to a request through the 9-1-1 system, and subsequently determines the address/location is outside of its jurisdiction, it shall render aid without regard to jurisdictional boundaries until relieved.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore all calls of an administrative or non-emergency nature will be refused on 9-1-1 and will be referred to your administrative number in the telephone directory.

The PCETSB agrees to keep all records, including times and places of all 9-1-1 calls transferred to the JCSD PSAP. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of the JCETSB to maintain the report of the call and the disposition of each call received.

Any agreements or changes in agreements and operation policies must be submitted in writing and approved by both parties.
